

HYDRATION

Unlock Your Turf's True Potential

Zipline is a dual-action soil surfactant blend containing a unique mineral solution bio-extract. Specifically designed for turf care professionals, Zipline is a game-changing formulation engineered to improve water infiltration and deliver balanced hydration. Zipline gives your turf an added boost by enhancing mineralization and promoting a variety of additional plant health benefits.

Features and Benefits:

- Promotes Balanced Hydration
- Unlocks Existing Bound Nutritional Elements
- Delivers Consistent Results

Application Recommendations:

During peak adverse conditions, Zipline was shown to dramatically improve turfgrass quality, stress tolerance, and provide increased protection against localized dry spot.

PACKAGING:

- 2x2.5 gallon case
- 30 gallon drum
- 270 gallon tote
