

ENHANCEMENT

Spray Tank Cleaner

Incide Out is a powerful, concentrated liquid tank cleaner formulated to penetrate, resolubilize and hold pesticide residues in the rinsate solution until they are purged from the liquid system. Its unique formulation makes it the product of choice for low water volume cleanouts. Incide Out is recognized as an approved spray tank cleaner by both Syngenta® and DuPont™.

Features & Benefits

Specifically formulated for low water volume cleanouts.

Superior Tank Clean-Out Capability

- Elevates rinsate solution to higher pH levels than ammonia and ordinary tank cleaners for superior penetration of dried-on residues and accelerated breakdown of certain pesticides
- Contains detergents and emulsifiers to cut through oily residues more effectively

Superior Rinse-Out Characteristics

- Contains antiredemption aids to hold residues in solution for more thorough rinsing

Won't Plug Nozzles

- No undissolved grit like dry tank cleaners

Safe to Apply as Rinsate to Growing Crops

- 40 CFR approved ingredients
- No restrictions

Easy on Equipment; Noncorrosive Formulation.

- Contains corrosion inhibitors to protect equipment

Concentrated, Low-Use-Rate Formula Costs Less to Use

- 0.25% v/v compared to 1% v/v for other liquids or 1 lb for dry products

Safer to Use than Dry Tank Cleaners

- No dust

USE RATES:

Use one quart per 100 gallons of clean water.

See label for complete usage information.

Please check with your Aquatrols distributor for available pack sizes.
