

ENHANCEMENT

Turfgrass Colorant

REGREEN is a nonphytotoxic, permanent colorant specifically formulated to impart a long-lasting, natural green color when applied to dormant and nondormant turfgrasses.

Features & Benefits

- Natural green color absorbs sunlight to accelerate spring green-up
- Safe on dormant and actively growing turf

USE RATES:

- Dormant turf colorant: 12 ounces applied in .85 gallon of water per 1,000 ft².
- Non-dormant turf colorant: 8 ounces applied in 1.25 gallons of water per 1,000 ft².

See label for complete usage information.

Please check with your Aquatrols distributor for available pack sizes.
