

HYDRATION

**CONTAINS NON-PLANT FOOD INGREDIENTS:
CONTAINS BENEFICIAL SUBSTANCES:**

Active Ingredient 90.00% Ethylene oxide-propylene oxide copolymer
Inert Ingredient 10.00% Water and ethoxylated alcohols
Total: 100%

NOT RECOMMENDED FOR USE AS A FERTILIZER SUBSTITUTE

NOT A PLANT FOOD INGREDIENT.

KEEP OUT OF REACH OF CHILDREN

Read entire label for additional precautionary statements.
FOR PROFESSIONAL OR INDUSTRIAL USE ONLY.

FOR EMERGENCIES INVOLVING A SPILL, LEAK, FIRE, EXPOSURE OR ACCIDENT CONTACT: CHEMTREC 800-424-9300 within the United States and Canada, or 703-527-3887 for international collect calls.

WARNING
Harmful if swallowed.
Causes skin irritation.
Causes serious eye irritation.

NET CONTENTS: 30 GALLONS (113.5 L)

Net Weight: 259.8 lb (117.84 Kg)
Density at 68°F = 8.66 lb/gal

PPL17830 04/08/2026

PRECIP is formulated to address hydrophobicity and water acceptance in soils during drought periods. PRECIP increases the infiltration of water into the soil and improves the length of hydration. PRECIP should be applied as a preventative water management strategy.

Directions for Use

GENERAL INFORMATION: Always mix and apply PRECIP in accordance with label instructions. Follow the application and mixing guidelines provided in this label. While immediate irrigation is not necessary, watering after the application of PRECIP will improve its performance. In situations where tank mix partners achieve maximum efficacy by remaining on the leaf blade, irrigation may be delayed as specified on the tank mix partner's label. During periods of high temperature, all soil surfactants should be watered in to increase performance and safety.

WHERE TO USE: PRECIP IS SUITABLE FOR USE ON GOLF COURSES, ATHLETIC FIELDS AND RESIDENTIAL OR COMMERCIAL TURF, UNDER THE SUPERVISION OF GOLF COURSE SUPERINTENDENTS, SPORTS TURF MANAGERS OR PROFESSIONAL LANDSCAPE CONTRACTORS.

USE RATES:

Spray Application: Apply PRECIP at a rate of 2-8 fluid ounces (59-237 mL) in a minimum of 1 gallon (3.79 L) of water per 1,000 ft² (92.9 m²). Apply PRECIP at a rate of 87-349 fluid ounces (5.2 L) in a minimum of 44 gallons (167 L) of water per acre (0.40 ha).

Irrigation Injection: Inject PRECIP at a rate of 32 ounces (1 L) per acre (0.40 ha).

Drench: For ornamental trees, plantings, and container pots dilute 8-16 fluid ounces of PRECIP in 100 gallons (0.0625%-0.125% v/v) of water.

Seeding and Sprigging: Apply PRECIP at a rate of 4 ounces (119 ml) in a minimum of 1 gallon (3.79 L) of water per 1,000 ft² (92.9 m²) after seeding or sprigging. Irrigate directly after application with a volume of water to sufficiently wet the seeded surface to a 1/2-inch (13 mm) depth. Volume of water needed may vary with soil type.

TANK MIXING: Unless prior experience has proven the combination to be effective, compatible and safe on the desired turf species, it is not recommended that PRECIP be tank mixed with other pesticides, fertilizers, micronutrients, bio-stimulants or other such products.

Storage and Disposal

Protect product from freezing. If product freezes, warm to room temperature before use. Store in original container only and do not reuse empty container. Rinse container thoroughly, disposing of rinsate and the container in accordance with federal, state and local regulations. Do not store near heat or open flame.

Precautionary Statements/First Aid Measures in Case of Contact

Precautionary Statements:

Harmful if swallowed. Causes skin irritation and serious eye irritation. If medical advice is needed, have product container or label at hand. Read label before use. Wash protective equipment and work clothes thoroughly after handling. Do not eat, drink or smoke when using this product. Wear personal protective equipment. Specific treatment is given in the First Aid section on this label or on the SDS. Dispose of contents/container to disposal plant in accordance with federal, state and local regulations.

PERSONAL PROTECTIVE EQUIPMENT (PPE)

Applicators or handlers of this product must wear: long-sleeved shirt, long pants, socks, shoes, and protective eyewear. Consult the SDS or further information.

First Aid Measures:

- **If Swallowed:** Call a POISON CENTER/doctor or Chemtrec if person feels unwell. Rinse mouth. Have person sip a glass of water if able to swallow. Do NOT induce vomiting, unless told to by a poison control center or doctor. Do not give anything to an unconscious person.
- **If Inhaled:** Move person to fresh air. If person is having difficulty breathing, give oxygen. If not breathing, give artificial respiration.
- **If In Eyes:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice or attention.
- **If On Skin:** Wash affected area with plenty of soap and water. Use tepid water if available. If skin irritation occurs: Get medical advice or attention. Treat Symptomatically. Take off contaminated clothing and wash it before reuse.

**Condition of Sale
Limited Warranty and Limitations of Liability and Remedies**

Read the entire Directions for Use, Conditions, Disclaimer of Warranties and Limitations of Liability before using this product. If the terms are not acceptable, do not use the product and instead, return the unopened product container immediately. By using this product, you accept the following Conditions, Disclaimer of Warranties and Limitation of Liability.
