NET CONTENTS: 1 QUART (0.95 L)

The Aquatrols® Company

INCIDE-OUT is a DUPONT™-approved liquid spray tank cleaner, formulated to bond pesticide residues to the rinse water solution for complete purging. Because rinsate may be sprayed on growing crops it is important to use a spray tank cleaner that is approved for use on growing crops. INCIDE-OUT is approved for this use.

Directions for Use

After cleaning procedures have been completed, fill tank with clean water and conduct a rinsate test on the water in the tank. Rinsate tests can be done through laboratory analysis or bioassay. For bioassay testing, apply rinsate to sensitive vegetation and observe treated plant for at least 48 hours. If damage occurs, repeat cleaning process and testing procedures. If no damage is observed, dispose of rinsate in an appropriate manner and resume spraying operations. Do not use the sprayer during the 48-hour observation period. All internal and external rinsate must be contained and disposed of according to state, local and federal regulations. FOR USE WITH PESTICIDES REGISTERED FOR AGRICULTURAL, AQUATIC, FORESTRY, INDUSTRIAL, MUNICIPAL, NONCROPLAND, ORNAMENTAL RIGHTS-OF-WAY, TURF, AND OTHER APPROPRIATE USES.

USE RATES: Use one quart per 100 gallons of clean water.

MIXING:

1. Clean all tanks on a state-approved loading pad so rinsate can be collected and mixed into spray solution or into a dedicated rinsate tank. In-field cleanout, go to step 3.
2. Thoroughly clean exterior of tank to remove dirt and chemical residue.
3. Drain the spray tank as completely as possible. Loosen any visible deposits.
4. Add 50-100 gallons of clean water to the tank and add appropriate amount of INCIDE-OUT.
5. Remove nozzles, screen and strainers and thoroughly clean separately in a bucket, using INCIDE-OUT as the cleaning agent. Rinse with clean water.
6. Ensure agitation and carefully clean the interior of the tank using a 360° rotation nozzle or pressure sprayer. Agitate and circulate for 15 minutes.
7. Flush the cleaning solution through the boom, hoses and nozzles until tank is empty.
8. Drain lines and pump. Dispose of rinsate accordng to product label and local, state and federal regulations.
9. Add 50-100 gallons of clean water to the tank. Recirculate through entire system. Flush solution through the boom, hoses and nozzles until tank is empty.
10. Drain the tank, lines and pump completely. Remove excess rinsate with a pump or dedicated wet/dry vacuum.
11. Test rinse solution for pesticide residue. If residue free, dispose of according to local, state and federal regulations. If not, repeat step 8 above.

First Aid

If Swallowed: Call a POISON CENTER/doctor or Chemrec if person feels unwell. **Do not induce vomiting.** Rinse mouth. Drink egg whites, gelatin solution or, if these are not available, large quantities of water. Avoid alcohol.

If in Eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTER/doctor or Chemtrec.

If on Skin (or hair): Take off immediately all contaminated clothing. Rins skin with water [or shower]. Wash with plenty of water for 15 minutes. If skin irritation occurs: Get medical advice or attention. Treat symptomatically. Wash contaminated clothing before reuse.

If Inhaled: Move person to fresh air and keep comfortable for breathing.

Storage and Disposal

Noncombustible. Store in original container only. Protect product from freezing. If product freezes, warm to room temperature and agitate before use. Prevent water from being introduced into the contents of this package. Triple rinse (or equivalent) during mixing and loading. Decontaminated containers and materials must be disposed of in a manner allowed by local, state and federal laws and regulations.

Condition of Sale - Limited Warranty & Limitations of Liability and Remedies

Read the entire Directions for Use, Conditions, Disclaimer of Warranties and Limitations of Liability before using this product. If the terms are not acceptable, do not use the product and instead, return the unopened product container immediately. By using this product, you accept the following Conditions, Disclaimer of Warranties and Limitation of Liability. For technical information, contact Aquatrols Corporation at 800-257-7797.
