NET CONTENTS: 2.5 GALLONS (9.46 L)

Net Weight: 22.33 lb (10.13 Kg)
Density at 68°F = 8.93 lb/gal

WINTERGREEN PLUS is a nonphytotoxic, antidesiccant and colorant specifically formulated to protect sensitive turfgrass during dormant periods and accelerate spring green-up by attracting greater sunlight intensity with its deep green color. WINTERGREEN PLUS may also be used in season as a permanent colorant on nondormant turfgrasses or during dormancy to impart a natural green color as an alternative to overseeding.

Directions for Use

GENERAL INFORMATION:

- Always mow turf to desired height prior to applying WINTERGREEN PLUS.
- Apply WINTERGREEN PLUS spray solution to dry turf with flat fan nozzles at 30-50 psi to create small spray droplets that are easily retained by turfgrass.
- Avoid application conditions that favor drift. WINTERGREEN PLUS will adhere to any dry surface. To minimize staining risk, wet concrete and masonry surfaces with water prior to application and rinse with water immediately after application.
- SHAKE WELL BEFORE USING.

WHERE TO USE: FOR USE ON ALL DORMANT AND NONDORMANT TURF-GRASS SPECIES FOUND ON GOLF COURSE GREENS, TEES AND FAIRWAYS, COMMERCIAL, MUNICIPAL AND RESIDENTIAL LAWNS, PARKS AND ATHLETIC FIELDS.

USE RATES:

Use rates will depend on grass species, mowing height and desired color.

Sprayable Cover – Dormant Turf: Apply 16 - 32 ounces (473 – 946 ml) of WINTERGREEN PLUS with 2.88 – 2.75 gallons (10.9 – 10.4 L) of water for a total spray volume of 3 gallons (11.35 L) per 1,000 sq (93 m²). The most uniform color and coverage is achieved by making two perpendicular applications at the higher dilution rate. Reducing water volume will result in darker turf.

Colorant – Dormant Turf: Apply 8 -12 ounces (237 -355 ml) of WINTERGREEN PLUS with 0.94 – 0.91 gallons (3.6 – 3.4 L) of water for a total spray volume of 1 gallon (3.78 L) per 1,000 square feet (93 m²) or apply 2.7 – 4 gallons (10.2 – 15.1 L) WINTERGREEN PLUS with 40.8 – 39.5 gallons (154.4 – 149.5 L) for a total spray volume of 43.5 gallons (164.7 L) per acre (0.4 ha).

Colorant – Nondormant or Discolored Turf: Apply 8 ounces (237 ml) of WINTERGREEN PLUS with 0.94 gallons (3.6 L) of water for a total spray volume of 1 gallon (3.78 L) per 1,000 square feet (93 m²). Alternately, apply 2.75 gallons (10.4 L) WINTERGREEN PLUS with 40 – 54 gallons (151 – 204 L) of water for a total spray volume of 43 – 57 gallons (163 – 216 L) per acre (0.4 ha). Use higher dilution rate and make two perpendicular applications for easier blending with healthy turf.

MIXING: Fill spray tank ½ full of desired water volume. While agitating, add the appropriate amount of WINTERGREEN PLUS. Finish filling spray tank to desired level.

Precautionary Statements/First Aid Measures in Case of Contact

Precautionary Statements:

If medical advice is needed, have product container or label at hand. Read label before use. Avoid breathing mist, vapors or spray. Do not get in eyes, on skin, or on clothing. Wash protective equipment and work clothes thoroughly after handling. Do not eat, drink or smoke when using this product. Dispose of contents/container to an approved waste disposal plant.

PERSONAL PROTECTIVE EQUIPMENT (PPE)

Applicators or handlers of this product must wear: long-sleeved shirt, pants, shoes and socks, chemical resistant gloves and protective eye-wear. Consult the SDS for further information.

First Aid Measures:

- **If Swallowed:** Rinse mouth. Have person sip a glass of water if able to swallow. Do NOT induce vomiting, unless told to by a poison control center or doctor. Do not give anything to an unconscious person.
- **If Inhaled:** Move person to fresh air. If person is having difficulty breathing, give oxygen. If not breathing, give artificial respiration.
- **If in Eyes:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice or attention.
- **If on Skin:** Wash affected area with plenty of soap and water. Use tepid water if available. If skin irritation occurs: Get medical advice or attention.

Storage and Disposal

May be stored below 32° F if thawed and thoroughly agitated before use. Keep container closed in storage. Do not allow water to be introduced. Store only in original container. When empty, rinse and offer for recycling. Always dispose of container in accordance with local, state and/or federal regulations. Do not reuse empty container.

Condition of Sale

Limited Warranty and Limitations of Liability and Remedies

Read the entire Directions for Use, Conditions, Disclaimer of Warranties and Limitations of Liability before using this product. If the terms are not acceptable, do not use the product and instead, return the unopened product container immediately. By using this product, you accept the following Conditions, Disclaimer of Warranties and Limitation of Liability. For technical information, contact Aquatrols Corporation at 800-257-7797. Information regarding the contents and levels of metals in this product is available on the internet at <https://www.aapco.org/metals.html>

CONDITIONS: The directions for use on this label are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks associated with the use of this product. Insufficient performance or injury to the crop to which the product is applied may result from the occurrence of extraordinary or unusual weather conditions, the failure to follow the label directions or good application practices, all of which are beyond the control of Aquatrols Corporation. In addition, failure to follow label directions may cause poor performance, injury to crop, animals, human, or the environment. You assumed all such risks by using this product.

DISCLAIMER OF WARRANTIES: TO THE EXTENT CONSISTENT WITH APPLICABLE LAW, AQUATROLS CORPORATION MAKES NO OTHER WARRANTIES OR REPRESENTATIONS OF ANY KIND, EXPRESSED OR IMPLIED, CONCERNING THE PRODUCT, INCLUDING NO IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE, THAT EXTEND BEYOND THE STATEMENTS MADE ON THIS LABEL AND NO SUCH WARRANTY SHALL BE IMPLIED BY LAW. No agent of Aquatrols Corporation is authorized to make any warranties beyond those contained herein or to modify the warranties contained herein. TO THE EXTENT CONSISTENT WITH APPLICABLE LAW, Aquatrols Corporation disclaims and any and all claims are waived any liability whatsoever for special, incidental or consequential damages or expense of any nature, including, but not limited to, loss of profit or income, resulting from the use or handling of this product.

LIMITATION OF LIABILITY: TO THE EXTENT CONSISTENT WITH APPLICABLE LAW, the remedy for any losses or cause of action relating to injuries, damages or the handling or use of this product, whether in contract, warranty, tort, negligence, strict liability or otherwise, shall not exceed the purchase price paid or, at Aquatrols Corporation's election, the replacement of the product. Aquatrols shall not be liable and any and all claims against Aquatrols are waived for special, indirect, incidental or consequential damages or expense of any nature, including, but not limited to, loss of profit or income.
